“ I met Les when my best friend and his fiancée Maria brought him to Florida for a visit. He was such a nice guy and so sweet. I enjoyed him so much during that visit, and I felt like I had known him for years. That's the way he was just a nice, warm caring guy, and I told Maria she had found a great guy. I was so happy when Maria gave birth to their beautiful baby Sophia. Oh my how he loved that baby as well as Maria's other two kids Zachary and Jacqueline. He was more than willing to step in and be a surrogate father and those kids loved him and looked up to him. Thier entire family is hurting, and a beautiful little girl will never get to know her father.

I pray for Maria, the kids, and the rest of Lesters family as a good man has left this earth. I will miss our talks on Facebook and my heart bleeds for all of you.

God bless you all and may God give you peace and strength at this time.

Betty gibbs how is Maria holding up? Wherever there was Les, there was Maria. Remember when she had Sophia? He was the proudest and happiest dad ever. I made that bet with him that he wouldn't stay in the delivery room the whole time and i lost. My deepest sympathies goes out to the family. It's so sad.
