“ *My friend my sister. I didn't know of you, I knew you. We were inseparable and then life took us in a different direction. Your kind heart and gentle spirit is the reason God needed you more in His kingdom than we deserved you here on earth. We share a special bond that some will never understand. Even in your absence I know you are rooting for me. I'm sorry family that this is the thing that had to bring us back together. In my heart she lives. I love you Tia/Ashley.*
