Tyna, girl where do I start.....I guess I'll start with I'm going to miss our conversations in person over the phone and in text I thank you for everything you have always been there no matter what the situation and glad we ran those errands not knowing that would be our last. knowing the pain for you is no longer there makes this so much easier to know your in better spirits with your parents and friends again your soul was so beautiful as well as your heart and I will forever love you from here to heaven and always love DeDe. (I know you and my granny are catching up on things now). My condolences on the loss of your mom, Jason I'll continue to pray for you and the grandchildren during this difficult time.
