“ I can remember being a little girl and I wanted to go to the beach and Linda came and took me and my brother to the beach and that’s when I officially meet a remarkable lady and she continued to be that lady every time our paths crossed we made sure to speak and Acknowledge one another. I’m sad I missed her home going because if my father was alive he would have made sure we was there. Rest Up Linda Faye HEAVENS ANGEL... KEKE PATE

“ *To the Green Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and take away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
