“ I can't believe it I just talk to her seems like yesterday and I ran into Ruth Anne today at the Phoenix center and I asked about my friend because I wanted to have that drink we talked about. I just want the family to know I loved my friend and may she rest peacefully until we meet again. love you I will always remember the good times and like U said FAM ride life until the wheels fall off, and live it to the wheels fall off. I feel so sad right now I really can't believe this, my bff from kids on up to adults but we will meet again. Love and kisses and your favorite bottle to keep you warm...see you on the other side...xoxo

“ May your family find peace and comfort at this most difficult time. Isaiah 25:8 says: "He will swallow up death forever, and the Sovereign Lord Jehovah will wipe away the tears from all faces. The reproach of his people he will take away from all the earth. For Jehovah himself has spoken it.
