“*Lofton was a very loving brother and family man. He was very kind and thoughtful. He loved his church, family and friends very dearly. He was very dependable and loyal. He had a giving heart & spirit. If you were in need, he would ensure that he gave you everything you needed to overcome the challenge or challenges you were facing. He was always willing to give a helping hand whenever and wherever needed. He was a great mentor. He taught me many things. As a big brother, he guided & encouraged me to always do what is right and just and to seek excellence in everything I do. He encouraged me to pursue sports and an education. As a kid, he got me my first job as an usher at the movie theater. He had worked there and convinced management to hire me after he had vacated the job to pursue other employment opportunities. Lofton encouraged me to further my education and I am eternally grateful for his mentoring and guidance along the way. Lofton was more than a brother; he was also my friend. We are going to miss you and we will always love you. Rest In Peace... Mitchell & Liz Morand; Decatur, Georgia*
