And I was so blessed to have him in my life he was always sweet to me when we were in school, Him Vanessa and I would hang out either in the East Commons or West Commons (PCH) we didn't do much we just hung out I enjoyed those times thank you friend, I often thought about you throughout these years . But looks like you had a lot of people in your life that loved you and how could they not love you sounds like you had never changed. Lord bless this family and keep them in his loving arms .
