“ Aunt Lorine, you were a second mother to me when my dad and your brother, Ernest, allowed me to move to Michigan many years ago. He ONLY trusted you to take care of and look after me. You did a great job and I really appreciated you. You had a wealth of knowledge and gave good sound advice. I listened and paid attention to you!! I will always cherish our time and fond memories together! Rest on in heavenly peace, Aunt Lorine, I will always love you.

“ *Aunt Lorine, I will never forget the night I caught you sitting in the bed in the middle of the night eating a salad with sardines on top. After that every time I talked to you I would bring it up and we would laugh all over again. I thank God for having you in my life and will cherish the memories we made. You will forever be in my heart. Love always, Anita*

“ *My best friend who became my sister, Brought me home to meet her mom and grandmother (The beautiful Mrs Scott). 35 Year's ago! I never have forgotten the warm and loving welcome I had received. Lo Smile was contagious!!! Her true way of showing others they were special always stuck with me! "Baby come on in this house and eat"! Rather you came in hungry or not. Her strength was passed down generations! Her daughters to her granddaughters! This family is my family! I'm deeply saddened by their loss.*
