“Wow! My favorite person and teacher. You will be missed. While you taught me many academic lessons, what you gave me went far beyond the classroom.

*You taught me how to sew a quilt, how to do line dances/hustles, and even welcomed me into your home after one of our dance classes. But the greatest gift you gave me was helping me find my voice. You saw leadership in me before I fully saw it in myself and encouraged me to believe that what I had to say mattered.*

*Ms. Manning you were an amazing teacher, but an even better person. Your kindness, encouragement, and belief in your students left a lasting impact that will never fade. The values you instilled in me will forever be cherished, and your memory will live on through the many lives you touched.*

*Rest peacefully, Ms. Manning. You will be missed forever and remembered with love and gratitude. My sincerest condolences and prayers go out to the family and all who knew her.  
Love Always, your former student and admirer
