YORRIE, there are no words to express how empty my heart is. You had a heart bigger than the moon and we're always there when I needed you. I should have been there more often for you. I will miss your beautiful face and smile! I will never forget our Vegas Vacation and how you made me feel like family. Slide into Heaven and let everyone know you arrived! Mom, Dad, and Cheryl are so happy to welcome you home. Love you my friend💕💕🙏

“Lorrie was someone who always brightened my day at Torca/Norma. I loved seeing the pictures and hearing about her nieces and nephews! Going to lunch with her was always an adventure! I'll never forget the time we got in an accident in her blue Jeep right in front of Torca and Bob from accounting “saved us from the a-hole” who was screaming at us! Also, I loved planing events with her like Kris Harrington’s baby shower. Lorrie continued to plan get togethers with the gang from Torca even when we all did not work there any longer! I especially loved the events that involved her delicious chocolate candy!! She was a terrific person who will be greatly missed by all of us. Rest in peace in the arms of the angels, my dear Lorrie. You are finally with your mom and dad and beloved sister. 💕💕

My dear friend...oh how you will be missed. So grateful that you continually reached out to me and James (your husband) these past few weeks. Although we hadn't spoken in several months, prior to that, we picked up right where we left off. I thank God for so many great memories and plenty of laughter. You were loved.

Missing you already. May you rest well my friend (the LAW).
