“ With our deepest expressions of sympathy to the family. This is Hewitt Chatman. I had the honor to be the High School Classmate of Lou Dora's oldest brother, Jimmie, through West High School in Denmark, TN, as we graduated together. I have known this great family my entire live, as we grew up together in Tennessee. I am still well connected to the Randolph Family, and we offer of our Prayers and Condolences in the Loss of Lou Dora. May God keep you strong during this difficult period.

“ Lou was an amazing and unique soul. I first met her when I was a 19 year old intern at Ameritech. I would go on to work with her for years. We had countless lunch table discussions with any topic open, those were great discussion. She was one of the people that encouraged and pushed me to advance my career and take on bold challenges. She also did her part to bring exceptional value when I have the pleasure to serve as her manager toward the end of her career

She would always say she was one of my several “work moms” because I was just a baby when I started working in the Engineering team. She went so far as to critique my wedding vows when I was getting married, and showered love on my family as I was having babies of my own. She advised me in life more than most and the wisdom and conversations we shared for 25 years will not be forgotten.

She was always excited to share updates about her daughter and grandkids that she loved and adored. She was a dear friend and a force for growth in my life. I am a better person to have known her.

May she rest in peace with the knowledge of her lasting mark on This world.

“*Lou was a beautiful friend. Her smile could light up a room. Her laugh was infectious. Her heart was full of love. Her “Love You,” could melt your heart. She was a caring individual. She trusted in Jesus. He would deliver her from her pain. We made many great memories at work and after in retirement. When my wife, Denise met Lou for the first time, she gave her a big hug. They were best buddies ever since. Life was sweeter knowing Lou. That is why we find it so hard to say goodbye. She will always have a place in our hearts. That is how we will keep her alive, remembering the times we spent celebrating our Christmas dinner at Eagle Tavern and our walk through Greenfield Village. We enjoyed times together taking boat cruises in Michigan and tours with the Detroit History Tour. We even had ourselves locked in the “Escape Room” with our cousins looking for clues to get us out. We failed twice but it didn’t matter. It was the time we spent together what was important. Lou fought her battles with cancer. She was a strong and courageous woman. She Loved big and managed to raise two families, her daughters, Nicole and Stephanie and her two grandsons, Xavion and Michael. We know this is not the end of our relationship with Lou. We believe Jesus is our Savior, and we will see our friend again, when Jesus calls us home. We thank God for bringing us together as well as her family and will long for the time we will meet again. We love you Lou.*

Love and Hugs,

John and Denise
