“ *I loved this woman. She was the first cousin that I really got to spend time with. She was a little older than me, but I felt close to her. I remember her driving that big truck through Louisville to see me. God bless the family and give us strength. Love, Nancy*

“ *To the Entire Family of Louise Ivory,*

Louise was a good friend. We had so much fun talking, laughing, and sharing stories. Her days truck driving, her travels were fun to hear about. Oh, and the days when she was doing my hair were great! No one could do my hair like Louise! I will miss her, but the good Lord has called her home. Family, you are in my prayers at this home going time. May God give you peace and comfort. Let us all keep the memories of Louise close.

“ *You were the best Auntie on the planet!!! I will cherish your memory and remember all of the talks we had and the impact you had on my life and my Daughters life. I miss you terribly, but I know you had a amazing life and all the fun stories you shared about truck driving. You taking loads where you could come stay at my house and visit. You teaching me how to wash and condition my hair. So many stories but not enough time to share them. When you lived with us, traveling all over and you were the highlight of my time in Germany when you came to visit me. I love you more than you will ever know. Travel well Auntie until I see you again 😔*
