“ Well Family, it’s been 3 long years my girl Lou has been gone. The pain & loss is so hard. Miss seeing Lou & talking on the phone all hours of the night. The calls ending with’ I love you.’ I am assured that she truly knew, I love her. Until we meet again, I love you Girly. 💖💖💖

“ It’s been a year ago today I got the dreaded call you had passed. Gone & left me. My Friend, My Confident. Oh how many times I wanted to pick up the phone to call you to share something stupid or ask a serious question. Lou, there will NEVER be another you. Lord help me until I see my friend again on the other side. I love you Girly! Rest well. 🙏💖

“ To the Dowell-Williams Family;
It’s been 3 weeks ago today and I’m still processing. Still tempted to dial her number & say something goofy. I keep shaking my head in disbelief. This can’t be true. Asking myself, who will ride down Woodward and site see with me? One thing for sure, she knew that I loved her unconditionally & we ended each call saying “I Love You.” Friendships don’t get any truer than ours. Rest Easy MY Friend- I’ll see you in the morning. ❤️💖
