“ I am SO lost for words..... I meet this baby when he was about 7 years old. He use come stay the night, play the game and have contests. Go just about everywhere and my two children went with Sista Michel. Malik always had an out going personality, smiling and joking area. His loving hugs, cheesy smile and energetic personality I WILL definitely miss those times. As years passed and we reunited “my baby” was the same loving grown man. I LOVE YALL TOO THE MOON AND ABOVE!
