“Mandal will be greatly missed in our neighborhood. Every time he passed our home at the corner of Murphy and Spokane he always had a beautiful smile, was very respectful and polite, and shared a positive word of encouragement on how we could make the neighborhood much better for the children. I recently met his brother and I must say he has a beautiful smile, is very polite and respectful, and talks positive. We don't see too many young men like that in our neighborhood; so indeed he will be greatly missed. To the family; May God comfort you in your time of comfort and you raised a beautiful young man and it still shows in his brothers and sisters. GOD will see you through, all you have to do is: LEAN ON HIM Kathy Carr-Murphy Street Neighbor
