“ *Marcus, you will certainly be missed. I have so many great memories of the fun times we had growing up! Every summer we spent hanging, swimming and watching movies with uncle Marcus when we were kids! I also remember the couple of spankings grandma gave us when you and Mond would wrestle and tear up something 🤪! Gosh those were the days. We'd always talk at all the family gatherings about what you were working on or accomplishing next. You were a kind, and loving person. I'm so glad we got to facetime and talk about all of our memories, while you impersonate people 🤪. Im overwhelmingly sad that you're gone, but I know that you are done with all the troubles of this world. We will forever remember your smile, the way you'd tell a story, that laugh of yours and of course your jokes.... Love you cuz ❤️❤️*

“ I want to express my sincere condolences to my sister-in-law Treva and her entire family for their loss of Marcus (Dink) who I had pleasure and honor to know.

If the many great things that stood out the most about Dink was that he was a real respectful, kind and a intelligent young man, who I was blessed to meet about 18 years years ago. I know without a doubt is and will always be greatly missed.

I was thinking about you today Marcus.. I'm sorry I never got to say goodbye. I met you working at Sprint, and you were a good manager and friend. We had some great chats on those rides home, and a lot of fun around the store... I keep your son in my thoughts as well... Rest easy my brother, you're missed.
