“ Remembering my sweet aunt of a garden of roses. My sunshine always. Remembering all the memories when it came down to family. From the Sunday dinners, to teach us more meaning of what the standards are of being a real woman, to her sweet loving she always showed rather you right or wrong. You'll always be my angel. My heart in human form. 99 years is a blessing all of us wish to progress one day. Our rock that held us down. My sweet sweet annie. May you rest in heaven my love until we meet again.

“ 53 years ago 1967 when God introduced me to this beautiful Angel at Dr. Roy Cooley's office. I, treasured the memories of many days and late nights, sharing talks, singing church hymns and praying together. She would always say to me, " I didn't birth you but you are my child ". I thank you Delois for sharing her with me. She would say, " Delois has a sister". I will always be thankful for our love for each other and the bond we shared. I send my deepest condolences to the family and pray that your memories of her continue to hold dear to your hearts and a comfort to your souls.

“ I knew one day this day would come, however, I could never prepare for this!

The rock of the family has left us and I am so very hurt, angry, disappointed and in utter disbelief. My dear sweet grandmother has never met a stranger and gave love to everyone that she came into contact with.

If I could be half of the woman that she was, I would consider myself blessed!

She is and will always be so very dear to my heart!

There was never any question of her love for me or my love for her,  
MY ROCK, MY HEART, ALWAYS AND FOREVER MY LOVING  
GRANDMA!!!

I am going to miss you so much and I will never forget the life lessons that you taught me about being a woman, mother, productive member in society and in my community! You are the epitome of a true Queen!

Until I see you again, with the knowledge and background that you have instilled in me,

I have no doubt in my mind, that I will see you again!

Rest In Paradise MY QUEEN!
