“ Ah “Marty Girl”, you will be missed! Your kindness and loving ways will never be forgotten. I have regrets because of conversations we were yet to have, but that's on me. You were a blessing indeed, and the entire Collins Family was enriched by your presence.

“ Aunt Margaret was my only sister from as far back in my childhood as I can remember. I loved following her around. I’m so glad she came to our family reunion last year. We did so much laughing and talking together. Her entire family loves her and will miss her smile and laughter. Thank you Auntie, for all the love you gave to every one of us. Those two hour long talks we used to have will always be remembered. I love you. Sandy.
