During this time of difficulty, please know that God's Word the Bible will provide the needed comfort and strength to endure. Knowing that Jehovah will soon do away with death (Revelation 21:4), can bring us much comfort during times of grief.

“ Let me begin by saying we have an AWESOME GOD. He blessed us with Big Granny for alot of years. She has taught so many of us so much and loved us unconditionally. Talked about us to our face, but it was always the truth! What I wouldn't give to hear one of her stories again. One of my favorite phrases is, Major, you have rocks for brains! !! Granny, you gave so much to all of us. I am glad and happy you are free and at peace. You taught me so much and I am so grateful you accepted me into the family and never turned your back on me. Thank you Granny for showing me, teaching me how a real lady acts and carries herself. Your memory lives on forever. I definately look forward to our reunion when it is my turn. I love you Granny.
