“ Auntie, It is with a sad heart we mourn your passing. What a beautiful soul, who gave selflessly and shared her passion and love with every family member who graced her door. The cooking and the love of collies, such a passion that speaks to her hearts conviction. The opening of her and Uncle Earls home to us when our house burned down, say's alot about who she was and how much she loved not only her immediate family , but all extended as well. I know that God welcomes her home, and ends the suffering and daily difficulty of the life she was living in her Sunset years. My prayers to all my cousins and her Brother and any Sister(s) but also to the grandchildren. May God afford you each and everyone comfort and peace.

“ My condolences to the family as well as my joy to Margaret and the family. I will always remember her beautiful smile as it lit up the world. She carried herself oh so well. She made my day great with conversation as well as the beautiful smile. I will miss talks and visits with her. As we walk through life, we pick up gems and flowers along the way and Miss Margaret was both.
