“ Marsha, a very special person who enjoyed living her life to the fullest, and giving to others was her pleasure. She gave her very best, always aiming to please. She inspired me with her many dreams and ideas that she often talked about passionately. Marsha had many gifts and talents. She seemed to be the most adventurous one in the family, living many different places, traveling everywhere she could, and meeting lots of people along her way. Marsha loved and enjoyed her family to the fullest. She was very proud of them all. I enjoyed hearing the way she affectionately referred to the girls (Karen, Neva, and Norma) as "the sisters". She enjoyed the special times that she spent with them. Once after getting her hair done I overheard her planning lunch with her MoM and just listening to the way she planned the lunch she made it into a special event. Marsha once told me that I was an encourager, but really, she encouraged and reminded me to believe in my ideas and never stop dreaming dreams.

Although Marsha is absent from the body her spirit is present with the Lord. Marsha will be greatly missed. May the lovely memories of her forever be in our hearts.

“ *Marsha worked for me in 1993 while I was the SE Regional Manager for American Honda Motors. I was particularly impressed with her attention to detail and insights. My first meeting with her was In Orlando. When I got into her car she already had prepared a folder out-lining specifics for all of her dealers.*

*I spoke with her a few times since 1995 and I was always curious as to how she was doing since I had no doubt she possessed all the characteristics of an effective leader. I am greatly saddened to learn of her passing. She was such a bright star with an amazing future.*

*Rest well, Marsha.*

“ I am deeply saddened and shocked by her death. As an original Southside resident on Earlmoore, Crestwood and Bassett, the Snoddy family was an integral part of our neighborhood. They were smart, very beautiful and Mr. Snoddy was the epitome of class. This particular death is devastating to our neighborhood and to those of us who went to Pontiac Central and all her friends far and wide. In a word she was class. She possessed a keen intellect and was easily entreated and kind. My absolute deepest sympathies to Norma and the whole family. Great loss at a young age.

“ Dear Snoddy family;  
I am devastated by the death of Marsha. Words cannot express how sad my heart is today. We have been friends since our younger years at Macedonia. I will miss her remembering my birthday and the kind acts she did during my father's illness. When she moved back home, Criag, I and Marsha (Lia) would frequently spend time at the Fridays on Big Beaver after she got off work laughing and catching up. God has called home a very special and sweet angel and she will not be forgotten by me or my husband. My prayers are with you all and all my LOVE

*It's still very hard to speak I'm so broken hearted, pulling over on the side of the road trying to keep it together as I go to work. One of the things she said "just know" that I love you and I'm not afraid to die. (God) I heard her voice get weaker and weaker she still tried to talk to me...we talked alot through her transition. Classy, beautiful, funny, she was also like a sister to me and she loved her family dearly She would get so excited every year about writing the Christmas Eve poem. Please find comfort in all the love she had for everyone and how special she made everyone feel. Rest in peace my beautiful sister ...friendship 20 years...Janet...Los Angeles*

*I worked with Marshilia when she was the District Manager based in Tampa. She was the consummate professional. Marshilia NEVER spoke of anyone in a disparaging manner. She would praise or encourage improvement. Those traits were obviously taught in the home and I commend her parents on a job well done. God bless all.*
