“ *It always seems like we have all the time in the world, only to realize  
how fleeting it really is. I wish i had spent more time, and said the  
things that i saved for later which along with you is gone forever. I  
promise to keep you alive in my memories. You were more than  
family. I remember many good times sitting at your house and  
enjoying a rather pleasant evening. And that will forever be  
embedded in my heart. So take your rest, until we meet again on  
the other side. Cheryl*
