“ Maurice I cannot believe that you are gone. All you ever talked about is being there for Marniqua and watching her grow-up, and even though we had our differences I respected the fact that you loved your daughter so much. I only wanted the best for our child and she always felt that you were the best. You use to say "Kim I love my baby so much" and I never once doubted that, I just wish things could have been different and you know what I mean. I will keep her safe as always and continue to let her have a relationship with her brother and sister. R.I.P Maurice and God Bless.....Gone but not forgotten
