“ I loved to hear her tell a story. She couldn't tell it without laughing all the way through it. I never could understand the story. But, it made me smile watching her try to tell it.

Oh Sue you are so missed!!! You have been the kindest and most loving friend that I have ever known. I just called you 2 weeks ago and had wondered why you had not returned my call. I had no idea you were ill, thought you might have been down south. Rest in Heaven till we meet again. Love you my dear friend. Pam Clay.
