“ *As your uncle I had the best of both worlds, I got to play, teach and impart knowledge, wisdom and respect unto you. I watched as you grew from a little black boy to a strong black man. Of all the things that I will miss about you will be the presence of your spirit and your laughter.*

Uncle Steve.

“ To The Alexander Family,

May our Lord bless and comfort you and your family during this time of grief Please accept my sincere condolences.

*I hadn't seen Mike in years but what I do remember about him, He was truly a gentleman very popular with a big heart and a gorgeous smile, he love to dressed & everything had to be in its proper place he was a fast talker (LOL). My family grow up with the Alexander family on the eastside of pontiac and we have so many good memories we've laughed and cried,and ate from the same table,lived in the same house from the youngest to the oldest family members.I could go on and on but enough has been said. I do want to leave you with this
after the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with Mike, this is what keeps him alive in our hearts and in our minds, and he will continue to live on, through us.*

Love Tee.Tee & Family 💙💜
