My condolences to the family. I can't help but to think how special Ms. Mickie was that God called her home on Thanksgiving Day to have a seat at his table to say job well done my love and a feast was prepared for her and thanks was given to her for all she had done in the time she was on this earth and now She gets to hang out in that Spiritual realm now for all her good deeds, Wow!

“Mickie I love you and you will truly be missed, no we didn't talk everyday but when we did it was always a learning experience, laughter, and times of crying but you were such a positive influence. I remembered when I was pregnant with lil Marcus you was like “ I'm naming him “ I said I was going to name him after your brother and you said no give him his first name. You named him **MARCUS DEONTAE FRANKLIN (MD)** you would call him to you a couple months ago what happened to you calling him (MD) you said girl I just call him (lil Marcus) and we laughed. When I got this info I was at a lost for words. You were such a wonderful person my heart goes out to the family as you lay her to rest and my prayers that god give you strength at this time. She will be missed by many prayers going up 🙏🙏🙏
