“ Today because of sickness, old age, or unforeseen occurrences we lose loved ones. And because of that some ask is this all there is to life, to grow old, get sick and die? Is that what our creator wanted for us. The Bible gives satisfying answers to these questions. A god of love does not use death to separate families. The scriptures plainly show that death is our" ENEMY" that will be destroyed by god (read 1corinthians15:26). Also the Bible gives much hope for our dead loved ones. (John5:28&29) during this difficult time, god word the Bible can be a great comfort for you and your family. You can read these scriptures and more at WWW. JW.ORG.
