“ *Mildred Wiley and my Mom are first cousins, and they were close like sisters since childhood. They grew up in the same house for several years, raised by the village of their grandparents, and my Mom's mom, my grandmother, Yaya. When I chose to move to NC Mildred would frequently call me to tell me that she was going to pray for us to move back to Mi, and I would just laugh. I am going to miss my cousin because if I took too long to call she would always call me to say that she needs to check in on us and hear our voices. It already feels strange that I am no longer going to get those calls from Mildred to brag on her grandchildren and catch me up on what's going on in Pontiac. To all of my cousins/Mildred's children and grandchildren, we don't talk often, but just know that I love each and every one of you because you all were the siblings that I didn't have growing up, so I want you all to know that I will continue to pray for strength and comfort for the loss of your mother/grandmother.*

Rest in Heavenly Peace Cousin Mildred,

“ *What a loss, oh but what a presence. My sister Barbara and I were raised with her in the home in the south with her. We thought at a young age that she was our sister until we learned later we were first cousins.*
