“ Dad you were that's best father I could imagine you taught me alot from a smile child to becoming the man you said you were proud of. Definitely going to miss the late night phone calls and text messages. We would talk about everything. Even though it's sad but i can also smile. God definitely gained his angel back. I just want to thank for letting a great man like you to be my father. Our last conversation you said you couldn't wait to take a vacation to Florida to see me but just know dad I will see u again but different reservations love you so much.....dude

“ Hey daddy I love and miss you sooooo much, i can't even believe I'm writing on here to say R.I.P to you. Words can not describe the heartache I'm feeling, my heart hurts so bad. I don't think it's nothing that can fix the pain that I am feeling. Nobody really understood how I'm feeling because the bond we had was a bond no one could understand. Well maybe mommy because that was your "WIFE and only Bestfriend" but I am and will always be a daddies girl!!!! Can't wait for me and mama to see you again. I know you will greet us with the biggest hug EVER!!!! I love you daddy!
