“ My condolences to Marcus's family. His passing has almost left me loss for words. I can remember when I first heard of the Cummings family. I was a teenager when Pastor Roy Cummings became very popular here in Pontiac,

I first saw Marcus when he and his sisters performed at local events. I was very fortunate to be one of his co-workers (different departments) at Pontiac City Hall. I will always remember the great conversations we would have about music and current events of that time.

My favorite memory of Marcus was I was in attendance at a party in the about the year 2005, I heard this great music and I thought it was a recording, as I walked around. I discovered it was Marcus on the keyboard. I said: "That was you playing all this time?" He said "Yes". I told him he needed to be signed to a record deal. Great artist and great soul . I will miss Marcus Cummings.
