“ My Aunt Mickey took care of me when I was a baby and Mother abandoned me. I've always considered her my 1st Mother and a God given angel. She never spoke an I'll word to me or anyone for that matter. She was quick to love, serve the lord and be a good example. I am eternally grateful to have had her in my life. She always had a way of making me feel better in the poorest of circumstances. I love you to the moon and back Auntie. There is no doubt that you are at home with Jesus in his care.
