“ Granny provided so much for us! She showed us so much! As painful as this feel, it's a boastful feeling to talk about our memories we have. From the hard times to the good times granny gracefully showed up and showed out. When people talk about who a KING is, it amazes me that we all share some common characteristics of granny. From her children, to her grand children, and great grandchildren, we all have a story of love and patience we received. “Ain't no granny like the one we got"! Strong, loving, caring, giving, no non sense nurturer, forgiving, INDEPENDENT, god fearing. Thank you granny, and I love you❤️
