“ I meet Jean during the Urban League days. She was such a delightful person.. She had the most beautiful smile and a warm personality to match that. My thoughts and prayers are with the family and friends as you prepare for her Homegoing services. May God give you every you need to make it through this most difficult time. May she rest in heavenly peace.

“ Jean and I were good friends when we were in high school. She and her family lived on Montana Street when they first came to Pontiac, then they moved to the Lakeside Homes. I remember Ms. Flossie and the other children too. Rest In Peace Jean.
