“ To the family: May the peace and comfort of God find its way into your heart.

Though Monica has translated, if anyone says they are sorry for your lose, tell them that lost is an indicator of something that can't be found. We know that Monica is in a place that we aspire to get to someday.

Stay encouraged in the Spirit that God has placed in the Family.

“ It's with deepest sympathies that I extend condolences from the staff of the Michigan Coalition Against Homelessness. Monica was a dedicated and caring person who brought about much good through her work. It is the blessings which she brought to others through her years of service which have, no doubt, carried her to her reward.

“ *Words cannot express my entire feelings right now. I am in pain and
sorrow, because Monica and I worked together, to initiate the SOAR
Project during my employment with Social Security for 38 years.
The concentration was for the homeless, Vets or not.*

*I loved Monica like a close sister and I right now is having a hard
time dealing with this loss.*

*Monica, you will always be in my heart and soul. Hopefully, we will
continue your work and dream.*

“ *It's stunning to think that Monica has passed on. I still find it so
difficult to believe this is so. Monica approached me way back in
2005 or so about doing what became SOAR. She was so
passionate about using this strategy to help folks, and she made it
happen in Michigan, plugging along tirelessly. I hope her passing
was peaceful. I know she's still with us in spirit, but I shall miss her--
and do already. Yvonne*

“ To the family:

Monica was such a beautiful person. Her smile would light up a room and her heart was big enough to care for all of Michigan's homeless and other vulnerable persons. Oh how I enjoyed being adorned by her beautiful jewelry; I was one of her biggest customers. She had impeccable taste. I could never move into a new residency without her approval. She could walk into the room and decide where furniture would go and which accent wall would need coloring or painting.

Thank you Monica for being a great friend and for supporting all of my affairs and for attending the JAZZ festivals together. You were family and all of my family adored you.

Our future memories will be about how pretty you were. Take your rest and sleep in Jesus arms. You will always be remembered by our circle of friends.

Love ya,

Edith

“ I am deeply saddened and shocked to hear that Monica had passed. I could not believe that this young, smart, active, funny, hardworking and loving person would no longer be with us. I met Monica four years ago when I worked for the Federal Government in Rockville, Maryland as Director of the PATH program within the Center for Mental Health Services at the Substance Abuse and Mental Health Services Administration (SAMHSA). The work that Monica did as Michigan's coordinator of PATH services for persons who are homeless with serious mental illness earned her respect and recognition by us in the Federal Government as well as her peers who coordinate PATH programs in their States. Monica was chosen as co- chair of the high-profile PATH Administration Work group and also served on the PATH data advisory committee. Monica was called on to present at our National PATH conferences and to facilitate my monthly conference calls with State PATH coordinators on issues affecting PATH clients throughout the country. Monica was always well-prepared, and was always- always pleasant and wearing a contagious smile. I saw Monica this past December in Washington, DC just before I retired. I had nominated her to serve on a very important work group to advise SAMHSA on best practices for advancing the work of the PATH program. As usual, Monica provided insightful and intelligent ideas to the group. Monica will be greatly missed as a voice for those who are homeless with serious mental illness. I pray that Monica's family and all of us who knew and cared for her will be comforted by the peace of God that passes all of our understanding.

Sincerely,

Mattie Curry Cheek, Ph.D.

“ Monica worked with my aunt (Virginia Harmon). She had such a bright smile and a caring attitude. Whenever my aunt had an event (big or small) Monica or Moni as my aunt called her, was there in attendance as well as in assistance, she was part of the family to us!..I will always remember her for her sweet spirit. She has her wings now, she has been set free! She is resting in heaven with the angels and will be missed by SO many, I pray that our Lord and Savior Jesus Christ will bring peace and comfort to her family and friends. We love you, but God loved you best!
