“*Mother Cannady, was an inspiration to me in my Christian walk. You will truly be missed and your words of wisdom will stay with me always. To the family, I say, be encouraged and know that you were blessed with a Woman of God that walked with you and now you have an Angel of the Lord watching over you! My prayers and thoughts are with you all.*

At this time of sadness...you are not alone. Our thoughts and prayers are with you. And while it may be true that love cannot always take your sadness, maybe it will help to make the days ahead a little easier for you. Your Mother was a beautiful soul and we know she has been lifted into His care.
