“ Miss Cady has been a part of our family for as long as I can remember. She and my mother, Annie Bruce Walker, were besties for over 60 years. As my brother said, "they were as thick as thieves". Miss Cady was a loyal, loving, faithful friend. She was always there when you needed her. When my mother had heart surgery, Miss Cady visited her every day for six weeks; often bringing food and one of her famous lemon meringue pies. When my mother's health declined, Miss Cady was stop by to visit after church and bring the news of what was going on at Macedonia. When Miss Cady stopped driving, Bruce was drop her off at my mother's apartment for a visit. Thanks Bruce. Miss Cady loved entertaining and was a very classy woman. My mother died last year around this same time. Now they're together again.

"Miss. Lucy" was a kind and gracious lady, and she was also extremely professional in every way during the time I knew her in her role as Head Baker at Oakland University. She set a standard of professionalism that made a lasting impression on me and many others. I wish her peace and offer condolences to her family.
