“ To Felicia, Barbara, Edward, and the rest of Nadine’s family: I considered Nadine the sister I never had. I know that the community, the Church, her family, and myself have suffered a tremendous loss. I will miss her laughter that affected and embraced everyone around her, and made one feel that all was and would be well. Nadine was a wonderful travel companion who was interested in absolutely everything. She was truly a student of life who never stopped learning. She was an integral member of our international prayer group and was indeed, so many things to so many people There are really no words to adequately convey my feeling of loss. So, I want Nadine’s family to pray for and pray with, and support each other during this period of mutual bereavement, and live so that we will all join together in the presence of the Lord.

“ Nadine I will miss you so much, I enjoyed our love for the Women’s ministry. You were an asset and a great friend to me and the members of Monument Of Faith. You fought a good fight. God needed his angel with him. I will always treasure our friendship, until we meet again. Rest in heaven my beautiful sister.
