My favorite memorie of Naomi, sitting with me at the table in the dinning room at B.H I would be bringing in staff and talking with the girls coming and going and Naomi would sit with me and we would talk....just talk. She was an excellent care giver to our residents and always went above and beyond...and her love for her family and her commitment to Angel's health needs was unsurpassable...God speed sweet Naomi. Heaven is now even more beautiful with you there...Vicki M.
