“ Parting this worlds curtain to peer into the vastness of the heavens beyond is the one thing no one can prepare us for, but having the Good lords glory as our shield is all the knowledge we need to traverse one world to another. when the lord calls us home we go with godsspeed and peace of mind and heart. rest in peace my brother. you will be missed and loved forever. May your children and grandchildren remember the better and best days you shared.

“ Hello,

*My name is Pamela Traeye. I just wanted to take this time to send my condolences to the family. I too have lost a loved one in my lifetime. Did you know that the bible makes it clear that God did not originally intend for humans to die? (Gen 1:28) The bible also tells us that God has the power to bring the dead back to life and that he will do just that!! Isaiah 26: 19 states, "Your dead ones will live... They will rise up". Jesus further reminds us at John 5: 28, 29 " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." If you would like to find out more about God and his promise of the resurrection, please contact me at my email address [pamelatraeye@hotmail.com](mailto:pamelatraeye@hotmail.com).*
