“ Dear Peoples family,

Please accept my sincere condolences for the sudden loss of our friend Niles. Even though he has been ailing for a while and the outcome was not unexpected, it still is a shock for all of us. Indeed, it was only three weeks ago that Niles and I shared a visit during his clinical encounter.

I know what a difficult loss this will be for you in particular. We shall miss your cherished relative deeply. I can only imagine the depth of the void that it will leave in your personal and family lives.

During my association with Niles, I found him to be an energetic and vivacious person who showed wit and vitality.

Niles took life with equanimity and endured his illness with forbearance.

I was fortunate to have known him for the past 35 years.

He will be sorely missed.

May the good Lord will give us all the courage and strength to bear this loss.

With heartfelt condolences,

Niles Peoples R.I.P,
