I pray that God's love will bring peace and comfort in our loss. Olivia was a dear friend and classmate. I am thankful for the memories and will always remember her joyful embrace at our 50th class reunion . During our childhood we shared many experiences, band, Tri Hi Y and visits to each other's homes. I didn't see her again until 50 yrs later. We were both overjoyed in 2013. To God be the Glory for her family and other lives she touched. Joyce Cook Kearney

“ *Olivia and I were neighbors for many years. Our children were in and out of each others' houses, attended school and played together. She and I were also "soap opera" buddies.*

Dorce and I are saddened that someone so loving and giving is no longer with us. I will always remember the joy children gave her. We are lucky to have known her.
