“ Man, Skip! Hadn't seen you since the early 90s. Now I'm seeing this! Would have been nice to see you again, as we had some good times. Hadn't really seen you since you and Jan broke up. Now I see she preceded you in death. Every time I pass that red house over on West Pike (btwn Williams and Woodward), I always thought about you and Jan. R.I.P., Bro!
