“*Ayana I am praying with you and your family. God has told us in his word, when we passest through the waters, He will be with us and through the rivers, they will not overflow us, when we walkest through the fire, we shalt not be burned neither shall the flame kindle upon us. So let not your heart be trouble, if you must cry than that is what you need to do. God will see you through. Love you daughter .*
