Uncle O.C. will be greatly missed not only by me but the entire Burton family. We all loved him very much and his laughter and encouragement was great in my life. Uncle O.C. allowed me to use his brand new Cadillac for a driving test and I received my drivers' license in July 1971. Praise GOD for my wonderful Uncle.

“ *Orlando was a special friend and mentor during all of my years with the Pontiac School District. His love for students and people in general was evident in all his actions. He will be greatly missed, but hopefully the impact his life made will be indelible on the minds of those under his sphere of influence.*
