“ I too hurt and am sad for Mossy was a special sister in law to me....she was a friend. I confided in her so much and we talked alot.she taught me alot. She always opened her door and made room for me to stay with her and the kids when I needed a place to stay. She had a great heart. We watched alot of novelas and drank black coffee alot together. She was so talented in crafts too.. I remember those awesome breakfast she prepared for all of at the her house. I still remember being in her wedding,when she married my brother. I was so nervous and proud to be part of that. When we went to kentucky to visit the family I was so excited to go see her and the kids. Wow...i will miss her greatly!! Ob I remember we went to see Saturxay night fever at the theater together that time my they all came from Germany. So many goox memories. I treasure them all!!

“ My sympathy to the family. It's not easy when someone we love dies. May you find comfort in Jesus words, "I am the resurrection and the life."-John 11:25

“ We lift you up unto the Lord
In this time of grief,
We pray the Lord will be to you
The comfort that you need
And when you have no answers
To all the questions 'why',
Know that God is in control
And is there by your side
He understands the way you feel
And knows the loss you face,
So rest in His eternal love,
For there, you'll find His grace. Sending my love xoxo
