He was the kindest most peaceful Person I've ever known. I still remember him playing a sort of piano like instrument in church when I was a little girl..He had talent! He could make that thing talk! He could make beautiful sounds on that Harp organ! I can see him in Heaven praising the Lord and and giving HIM All The Glory on his Harp organ! Praise HIM Otis! Give Bethie a hug and kiss for me and the kids! Love You! See You In The Morning! 🙏🙏🙏 Brenda and Grands

“ *I used to work in the office at City Hall, that supported Mr. Cannon's Board of Review. I wish more men or people in general were like him. He was very nice, friendly and patient. I thought highly of Mr. Cannon and his wife , very sweet people. I have not seen him in person in years. Once you meet him, you never forget him. He was REAL and trusted. I wish he could have been my supervisor, but he was already retired. Mrs. Cannon and family, I wish I can type more about this great man. I send my condolences and God Bless you all. God gave him 100 years. Mr. Cannon was a blessed man.*

Mr Cannon was a neighbor and friend to the Earl family for over 30 years. He was a pleasant, well loved and a very wise man. All the neighbors went to him for advice, a wise word and or a good old laugh. He had a contagious laugh that resounded all over the neighborhood. I had not seen him in a quite a few years but on October 4th, 2019, while visiting in Pontiac I was led to spend time with with he and Mrs Cannon. Thank God for leading me to them for I shall not see him again on this side. But I'll look for him on the other side when my time comes. Rest easy Mr Cannon. To Mrs Cannon, Lathan, the grands and rest of family hold your head up. Weeping may endure for a night but JOY comes in the morning. You are in my thoughts, heart and prayers. God bless you!
