“ Pastor Brian and I used to work together years ago, before he began his ministry. I would often seek him out with questions and share issues I was facing, and of course, he would pray about them. I even jokingly called him my own personal pastor, and we would laugh about it.

After leaving BBDO, we didn't keep in touch, but I thought about him often and found out he began One Touch Ministries, I knew his congregation would be truly blessed.

I learned about his passing on Facebook, which was such a shock. He was so young, yet so wise beyond his years. My heart goes out to all of you who knew and loved him. May his memory be a blessing. Without a doubt — he's in God's care.

“ Officer Denham and I worked together at Herrington Elementary School where he was the school Security Officer . Officer Denham was always “ calm” regardless of whatever the situation or circumstance was. He was a man of God who carried that message with him. His God fearing demeanor and willingness to help all will be a loss to those who knew him

RIP Officer Denham
