“ Lady 'P' was a strong woman with integrity and devotion to her family and faith. We talked about life and family. Patricia loved her family, endured hardships, prayed and was forgiving. I will pray for Patricia and her family. May peace be with us all.

“ My condolences to the family.
Patricia was a genuine friend. We were there for each other through the ups and down, the failures, the layoffs, the re-hires, graduations, birthdays, concerts, the laughter and tears, and everything in between. This was the friendship I had with Patricia for over 20 years. Even when life got in the way, we could always pick up where we left off. What I admire most about her was her strength to persevere, her kindness toward others, and her ability to forgive quickly. I will always cherish my friendship with her. I love you and miss you Patricia.
