“ Dear Moore Family and Friends, I wasn't privileged with the remarkable acquaintance of Mrs. Moore as you were, but it saddens me to read of your tremendous loss. Please accept my family's sincere condolences. Millions of people are finding comfort in the knowledge that we are promised in the Bible, by our Creator, that we can take steps today to see our dearest loved ones in the future , right here on Earth . May you have peace.

“ I am pearl ex-sister-n-law
Pearl had her ways but one thing I know is that she loved her
children an grand children
She would call at least once every month just to see how we are
doing
but one thing she didn't do are allow you to do was to say goodbye
when she end her call she would always say I will see you later
accept last Monday she ended her call by saying goodbye , after
she had hang the phone up I thought to myself that's odd,
But now I realize what she meant!
All I can say to you children is remember she loved you and stayed
as long she needed to her work was finished, hold on to each other
and hold her memories and above all hold to God.
We love you, as always we are here for you
