“ Sorry for your loss. Did you know that God hates death? He views it as an enemy. 1Corinthians15:26. He has a yearning to conquer that enemy, to undo death by means of the resurrection. He longs to bring back those who are in his memory and to see them live on earth again. Job 14:14,15

“ What I have to say to my beautiful African King is REST IN PEACE you were loved dearly by many ,you did many things for your brothers and sisters when they asked ,you, you" were a wonderful human being among many people and you touched Rick and our hearts in ways more than you will ever know . You will be truly missed. " To die happily is extremely difficult . And since death is the final settlement of accounts for one"s life ,that is when our true self comes to the fore. We practice faith (Nam-myo-ho-renge-kyo) to live happily and to die happily. One who has faith in the Mystic Law will not die unhappily. You used to chant with me on the phone. So where you are at now is paradise,
Your son Barack will have a distant Aunt in California Aunt Eva. I will call often and tell him his father always had a pocket full of money and dressed very sharp. He was a gentle giant , in his own way. But more importantly he had a big heart. We will meet up again " fast Phil. We love you.

Always and forever your dear friends,

Eva and Slick Rick

“ *Philip, Baby sometimes we come to life's crossroads and view what we think is the end, but God has a much wider vision and he knows it 's only a bend--- The road will go on and get smoother now. And now that you've stopped for a rest, the path that lies hidden beyond you is often the path that is best. So, rest and relax, and grow stronger, let go and let God share your load, and have faith in a brighter tomorrow, You've just come to a bend in the road. I will always love You ----- Tia*
